"Intelligence plus Character that is the goal of true education" - Dr. Martin Luther King

FELICITATION FROM THE PRINCIPAL

Beloved students and members of all faculties,

Education to me is about 'Learning for self and acquiring the wisdom of life'.

We wish the blessings of God always shower upon our management, faculties and students so as to enable them to continue working hard for the betterment of the society. We are confident that the College with its rich legacy, besides being blessed by His divine hands, will be able to contribute rich in shaping young minds, thereby resulting in national development.

True excellence can only be found in Christ. From an educational perspective, I am passionate in doing everything to the best of our ability. We believe that education alone will not provide wisdom and we need to make right choices in a rapidly changing world. We recognise that God is the source of all wisdom, and we are therefore committed to a high standard of education that is based on the values.

May God grant your heart's desire and fulfill all your plans. (Psalm 20:4)

ABOUT THE INSTITUTION

Idhaya College for Women, affiliated to Alagappa University, Karaikudi and Accredited with **"B" Grade by NAAC** was started in 1996. It is a minority institution established and run by the **Sisters of the Immaculate Heart of Mary Congregation, Pondicherry.**

The College runs according to the vision and mission of servant of God **Rev. Fr. Louis Savenien Dupuis** a missionary who hailed from France to India. He found that the Indian women were oppressed and deprived of, even the basic rights. To uphold the dignity of women and to emancipate them through education, he founded the **Congregation of the Franciscan Sisters of the Immaculate Heart of Mary in 1844.** Idhaya College for Women is the outcome of his vision and mission. With their lives marked by total faith in God, self abnegation and dedication to the cause of education, the Sisters of this congregation contribute their best to make Idhaya College as number one in Sivagangai District.

1. Our Vision

To reach this above goal, the educational plan is drawn every year after deliberative consultation with the faculties, students and parents. The college solicits the co-operation of all the members of Idhaya family in executing this plan successfully.

3. College Motto

"Aspire to Achieve" is the cherished motto of our college.

4. College Emblem

A close scrutiny of the college emblem will disclose a lot of information. The globe resting on the raised hands of women signifies that the future and the safety of the world are in the hands of women. If our Idhayamites aspire to practice the above said values, they can surely achieve and catch the world in their hands.

10. Conclusion

To foster faith in Christianity, religious classes are conducted for the catholic students. To inculcate moral values, value education classes are conducted for the non-catholic students. Both classes are obligatory.

Gathering bookish knowledge does not make the collegiate education complete. Students must be taught the importance of service to the society. Our college can boast of plethora of clubs and NSS. Enrolling themselves in any one of these service oriented clubs is must for students.

Thus Idhaya College at Sarugani translates into reality of our **founder servant of God Louis Savenien Dupuis**. Our education in this sovereign institution will make the students perfect and successful women who can stand on their own legs.
