IDHAYA COLLEGE FOR WOMEN

ACTIVITIES FOR THE ACADEMIC YEAR 2022-2023

A Warm Good evening to one and all gathered here.

College Day marks yet another mile stone of an academic year. This year has been equally bountiful and lovely for us as the years before pandemic.

I consider it a tremendous honour to present the Idhaya College's annual report for the academic year 2022-2023. We have a tone of positive news and stories to share after the fantastic year. I feel immense pleasure to say that our staff and our students have excelled both academic and extra-curricular pursuits. Let me give you a bird's eye view of this academic year's events and activities.

Idhaya College has spent 27 years successfully completing its quest for greatness.

“A Rose doesn't invite anyone to enjoy its beauty but its natural pleasant fragrance attracts people to it”.

Idhaya College is located in a stunning area that fosters positive learning environment. Parents are drawn to Idhaya College because of the morals and rules and regulations and most importantly vision and mission that we put into practise.

1.1 HISTORY AND OBJECTIVES OF OUR INSTITUTION

The College runs according to the vision and mission of Rev.Fr.Louis Savenien Dupuis, a missionary who hailed from France to India.

To uphold dignity of women and to emancipate them through education, he founded the “Congregation of Franciscan Sisters of the Immaculate Heart of Mary”. According to our congregation's dream, we sowed the seeds of multidisciplinary academic are called, Idhaya College for Women, in Sarugani in the year 1996.

The motto of our College is “Aspire to Achieve”. The main objective of the college is to reduce young women graduates, packed with valuable knowledge, perfected with character and true sense of human values.

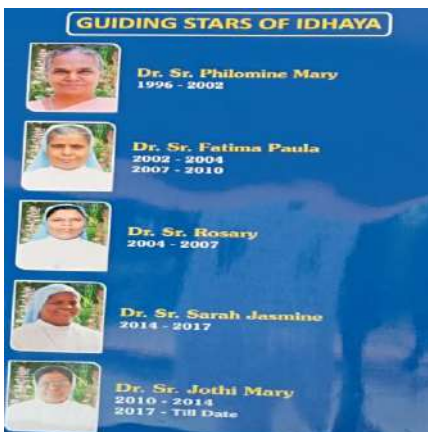

**“Coming together is a beginning
Keeping together is progress
Working together is success”.**
Keeping this in mind,

We the Idhaya family work together and Achieve many things and bring laurels to our institution.

“To educate a woman is to Educate an entire generation”.

By believing the above line so firmly, our college provides education to the students who hail from social and economic background. It helps them to change their future in a better way. The college never puts them down instead they are provided better career opportunities when they leave our institution. I feel elate to state that we are marching ahead in full zip towards the realization of our goal “Aspire to Achieve”.

The focus of our attention is more and more towards moulding and shaping women folk to prove their strength and ability to face any challenge and come forward to reach the new heights of their life.

The Pioneers, who uplifted this institution....

1. Rev.Dr.Philomine Mary (1996-2002)
 2. Rev.Dr.Fatima Paula (2002-2004 and 2007-2010)

It is a systematic process that everyday students give one rupee to the manikuyil and at the end of the week it will be submitted to the institution with proper account maintenance. I feel proud to say that last year (2022-2023) our students contribution was Rs.3,717. This practice helps the students to those who are not able to pay their fees on time so they can take it from manikuyil and pay it back within their stipulated time. It helps in a great way to continue their studies without any disruption when a few students prefer to leave a college due to unpaid fees.

We opened an account and deposited the amount in the name of “Principal, President, and Procurator”. The choice of the deserving students is purely in the hands of Office bearers. The mentors can nominate the students and the department heads will forward the list to the office of Manikuil - Students’ Endowment Scheme.

14. CONCLUDING WORDS

I would maintain that thanks are the highest form of thought, and that gratitude is happiness doubled by wonder. I extend my ardent thanks to today's Chief Guests Dr.S.Xavier Britto, Chairman of Kerry Indev Logistics Pvt Ltd and Dr.Vimala Rani Britto, Founder and Author, FEEDY Curriculum, Secretary and Correspondent, St.Britto's Group of Schools and Colleges for gracing this occasion with their presence despite their tight schedule. Next I mention my heartfelt thanks to our Provincial team members, Infant Jesus Province, Madurai for their full support to develop our institution a great one.

“The will to win, the desire to succeed, the urge to reach your full potential..... these are the keys that will unlock the door to personal excellence.”

I extend my devoted thanks to our Sisters, Who are the people of determination for the priceless toil done for the college and for its upliftment.

“Coming together is a beginning, staying together is progress, and working together is success.”

I would really thank all my Teaching and Non- teaching Faculty members for their dedicative work and full support to the development of our institution. I proudly say that it would not be possible to make this occasion a grand success without their team work.

“No duty is more urgent than that of returning thanks.”

I really thank all well- wishers of our college, parents and students for all the help rendered today and to be rendered for the years to come. The only help you can do for this college is to groom yourself and groom the Nation and make us feel proud always.

“If the only prayer you ever in your entire life is ‘thank you’, it will be enough”.

I thank our guiding Lord Jesus Christ for without His blessing not a single happening or happiness could be possible. With deep sense of gratitude, I place on record my gratitude to Lord Almighty for His benevolence and divine guidance throughout the year, so that it may grow from strength to strength.

Finally I conclude my Annual Report with this small quote

“Be Everest and don’t be Ever Rest”

“If you are planning for a Year, Sow Rice

If you are planning for a Decade, Plant Trees;

If you are planning for a Life Time, Educate People”

Once again I thank one and all gathered here.
