Our keys values such as inclusive excellence, integrity, community building, social commitment, equity, and social justice were applied based on the enrichment of our curriculum. The main activities throughout the year in the areas of extension and institutional social responsibility are based on this curriculum.

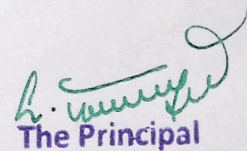

On September 28, all second-year students took part in a curriculum-related extended activity at Puliadithambam in Sivaganga district. We exposed the students to the growth of social values, the dissemination of their responsibilities, and knowledge of societal issues & challenges by encouraging them to engage with the indigenous residents. Our students and the people got along well. By this activity, we observed the rural people's social values, educational background, economic values, family background, and jobs. About 43 homes were visited by our students. The survey found that our students felt happier and overall their days were more purposeful.
