## Sunrise:

We visited sunrise. We felt very fresh and it gives a new beginning for the day. We felt very enthusiastic. We just walked to rock memorial, occupy a bench to there and walked for sunrise. This waiting was really exciting, cool to watch the waves. A mesmerizing waves of air, just like anything, awesome experience, promoting us to visit again.

### Mayapuri wax museum:

It is located inside the Baywatch amusement park in Kanyakumari and designed as a showcase of national and international celebrities, statues fully worked with wax, 3D painting, 9D & VR.

It is the first wax historical center in India. We visited wax museum and got a replicate view of famous actor, leader worked with wax. Generally we all take selfies with these wax monuments. Especially 3D painting is very nice and attractive and we felt very realistic in 3D shows also wax museum inspired us more.

On 03.05.2023 we visited Padmanabhapuram palace which is located at padmanabhapuram in the Kanyakumari district of the India state of Tamil Nadu. The place is owned, controlled and maintained by the government of the neighboring state of Kerala.

It is magnificent wooden palace and an enticing edifice to any lover of art and architecture we felt peace of mind and relaxation when we are inside the palace. All the architectural work of padmanabhapuram palace, just stole our heart and mind.
