Three Colleges who actively participated in that programme.

❖ **Caronnel College of Arts and Science,Muthupettai.**

❖ **Govt Arts and Science College,Muthupettai.**

❖ **Sri Sarada Nilayam College For women,Vizharcathipudur.**

The program started with Tamilkali vanithai, followed by lighting the lamp by the resource Persons, Principal, Rev Sr.Dr.C.Jothimary, our Department Head Dr.S.Ushaari and Student Secretary D.Sukha.

The technical session I started with the informative speech of **Dr. S.Jegatheeswaran**. He explained about the "Nano materials, Assay and Staining techniques". Session II was handled by **S.Nadarajaprabhu**. Then he gave a lecture on "Shrimp Farm in polymerase chain reaction". It will help the students to enlighten the knowledge of the recent research in life science". After that **Dr.S.Suganthy** gave information about "Nano materials and Drug model". Finally, the session was handed over to **Dr.Ananda Raj Ran** on "Bioinformatics and Bio pharmaceuticals".

All the invited Speakers gave clear explanation related to the topic in a very effective and a meaningful way. They also interacted with the students about the present and future research in life sciences.

Finally, vote of thanks was delivered by Mrs.M.Anis Fatima, Assistant Professor of Biochemistry. The event was ended up with National Anthem.
