Illiyas College and PG Department of Commerce with Computer Applications

Illiyas College is a minority institution, founded according to the vision and mission of Rev. Fr. Louis Saverio Devasi, a missionary who sailed from France to India, and runs by the sisters of Immaculate Heart of Mary Congregation, Pondicherry. *Apply to Achieve* is the cherished motto of our college. To uphold the dignity of women and to emancipate them through education, the college has strived itself to uplift economically weak and socially backward students. Gleaning boondocks knowledge does not make the college education complete, students must be taught the importance of service to the society.

PG Department of Commerce with Computer Applications, Illiyas College

The department of Commerce with Computer Application, established in the year 2005 with the view to give deeper understanding of both Information Technology and Commerce, thereby enabling the budding graduates to pursue careers in either of the two fast-growing areas, viz. IT Industry, Companies and Financial Sector. In order to meet out the demand, we have started M.Com C.A in the year 2014. Now we have attained the status of Ramnath Centre from 2018. The department provides platform for exhibiting the talents of the students through its club "Inspire". It organizes guest lectures, career counseling, workshops, conferences, intercollegiate meetings and industrial visits. It feels pride in producing more number of job holders from its inception.

Assada College and PG Department of Commerce with Computer Applications

Assada College, founded and managed by the R.C. District of Sivagangai, is a catholic minority co-educational and self-supporting institution. Its educational service with a "Write in Love" is oriented to the poor students of backward districts of Sivagangai and Ramnad. To face students to face the challenges of life in a dignified manner, valuing fellow human and the work as sacred and to produce the following vital aptitude in its students: the ability to think clearly, acquire knowledge of the past and present, exchange the ideas, develop skill to do service, and continue all these for creating a healthy and self-reliant community.

PG Department of Commerce with Computer Applications, Assada College

PG Department of commerce with computer application was started in the year 2004, with the aim of the holistic development and mobilization of the student community by involving them deeply in all the programs of the department. Some of them are like Star River club, inter-disciplinary seminars, cultural events, arranged guest

lectures by experts in diverse disciplines, Industrial training programmes and industrial visits and campus interview sessions. It is the pride of the department in producing university rank holders every year.

Understanding between the parties

Recognizing the mutual benefits of collaborative activities in promoting inter-institutional understanding, Ananda College and Idara College agree to explore the feasibility of establishing frameworks and co-operative activities in educational endeavours. Such co-operation may include but is not limited to the following:

1. Guest lectures to the students at UG and PG level
2. Collaborate with seminars and other co-curricular activities
3. Give training among the students in soft skills
4. Placement Activities
5. Exchange the staff for conducting research programmes

The above terms may be modified by mutual consent or and when required by an addendum.

Terms and Conditions of MOU

The specific terms, expenses and other matters arising related to the implementation of any aspects of this MOU shall be discussed in detail by the parties concerned for each case. Any commitment of resources financial or otherwise, for co-operative activities shall be made in a supplemental MOU Agreement for that specific purpose entered into at a subsequent date and approved by the official authority and signed by authorized signatory of each institution.

Roles and responsibilities

Both Ananda College and Idara College will nominate one individual from their institution as its primary representative in charge of co-operative programs. Individual projects implemented under this MOU or its supplements will be jointly planned and supervised by the nominees of both the parties. The parties agree to consult periodically concerning the status of the above mentioned activities and other relevant matters of mutual interest.

Validity

This Memorandum of Understanding will be effective for a period of Five years from the date of signing and is subject to change, renewal by mutual consent.

Confidentiality

Both parties agree that they shall not utilize any information received from each other or from student data base for any purpose other than for conducting the agreed program.

Arbitration

All or any disputes arising out of this MOU are subject to sole arbitration jurisdiction. In case of arbitration both the parties shall appoint the arbitrators and both parties will have to be present during the arbitration proceedings if any.

General

- a) Termination of this MOU may be made by mutual consent or by either party giving the other party three months' notice in writing.
- b) The capitals used in this MOU are for convenience only and are not intended for legal effect.

And

The Department of Physics, Khara College for Women, Changanassery, represented by principal.

About the Syed Anwar Arts and Science College, Kannur District

Syed Anwar Arts and Science College is run by the Syed Anwar Educational Trust established by Dr. E.M. Alkhalid in the name of his beloved mother Syed Anwar.

He was a famous doctor, a well known philanthropist and a social worker. Dr. E.M. Abdallah's chief interest is vested in P.T.S activities such as providing medical services and uplifting the educational status of the poor and disadvantaged people of this beautiful district. For this purpose, he started the Soudi Ahsanul High School in the year 1964 and it was upgraded to Higher secondary school, known as Soudi to enhance the standard of English knowledge to the weaker sections of this area. He has also started the Soudi Ahsanul Intermediate School in the year 1976.

Following the footsteps of Dr. E.M. Abdallah, the management committee started Soudi Ahsanul Arts and Science College in 2000 with the strength of 118 students in the vast area of about 55 acres on the east coast road between Eranakulam and Deshapuram. Now the strength is 2800 with 98 permanent teachers. The college is a co-educational institution offering 14 undergraduate courses and 6 post graduate courses. From the last year onwards shift has been introduced for effective teaching and discipline. This institution has successfully completed 12 years of excellent academic service and now it has been accredited with "B" grade by NAAC.

About the Physics Department, Soudi Ahsanul Arts and Science College,

The department was started from the time of inception of the college during the year 2000 by the number of 8- and Annual Teachers with 13 teachers and 2 facilities. At present, the department has total student strength of 151. The department has a well equipped and spacious physics laboratory for undergraduate students. All the faculty members of the department are well experienced in teaching and they are heavily involved not only to teach students but also to instill moral values among the students. Each semester is periodically evaluated to the students in the presence of faculty members to update their knowledge which also gives the students the impetus for improving their communication skill. The department started "JESHERY ASSOCIATION" for conducting many programmes (seminars, conferences, quiz programs, etc) to reach the students with talent.

About Lakshya College For Women, Bangalore

Lakshya College is a women's institution, founded according to the vision and mission of Rev. Fr. Louis Benjamin Duguid, a missionary who hailed from France to India, and run by the order of Benedictine Nuns of Mary Ursula. Philosophy, Aquinas or Aristotle is the abiding motto of our college. To uphold the dignity of women and to encourage them through education, the college has conducted B.T to girls occasionally weak and mostly backward students. Gaining holistic knowledge from our girls by collegiate education complete, students may be taught the application of science in the society.

About the Physics Department, All Saints College For Women
