FIRST AID AWARENESS PROGRAMME

Date : 09/01/2024
Topic : First Aid Awareness Programme
Venue : Poovalthottam
No of Beneficiaries : 25

First Aid Awareness is an immediate medical assistance given to accident or injured person before the arrival of a qualified emergency medical service.

Department of Biochemistry organized First aid awareness programme in Poovalthottam. Nearly 25 village people along with our Assistant professor Mrs V. Ramya priya and Lab Assistant Mrs. J. Saravijayamma, were to Poovalthottam to provide a First aid awareness programme.

Our B.Ph. student J. Shobana witnessed the gathering. J. PG Sivareetha has given the talk on First aid awareness and the people heard professor during the time of suffering. She explained the following:

Generally, five steps are associated with first aid.

1. Assess the surrounding area.
2. Move to a safe surrounding (if not already, for example, road accidents are unsafe as to deal with air traffic).
3. Call for help: both professional medical help and people nearby who might help in first aid such as the compressions of cardiorespiratory resuscitation (CPR).
4. Perform suitable first aid depending on the injury suffered by the casualty.
5. Evaluate the casualty for any final signs of danger, or possibility of performing the first aid again.

Our students actively participated and acted about how to face the problems and how to face the difficulties during these conditions.

1. Heart attack
2. Snake bite
3. Accident
4. Drowning
5. Serious illness

At the end of the programme, village people:

- Understand the importance of first aid services at work
- Know the legal compulsions and minimum required first aid procedures
- Implement correct steps while attending to an accident, incident or injured person
- Follow correct action plan in accidents and emergencies at work places.

The programme was end with the vote of thanks by L.Venita (I-M.Sc biochemistry) She thank the the Principal and the Teachers along with the village people.

DRUG ABUSE AWARENESS PROGRAMME

Date : 21.07.2023

Venue : Bharathy Peram

Beneficiaries : 34

"People first, stop stigma and discrimination, strengthen prevention"

The world drug problem is a complex issue that affects millions of people worldwide. Many people who use drugs face stigma and discrimination, which can further harm their physical and mental health and prevent them from accessing the help they need.

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day is marked on 26 June every year to strengthen action and cooperation in addressing a world free of drug abuse.

The Department of Biochemistry organized a Drug abuse programme on 21.07.2023, to raise awareness about the importance of treating people who use drugs with respect and empathy, providing evidence-based, voluntary services for all, offering alternatives to punishment, prioritizing prevention, and leading with compassion.

The programme was started at 10.00 am with a prayer song sung by S.Ashika Jennifer (II B.Sc. Biochemistry). After prayers the welcome address delivered by our department Assistant secretary S.Sakthi Selvi (II B.Sc. Biochemistry) followed the speech about drug and its effects by A.Imrath Selviya (II B.Sc. Biochemistry).

The SII was presented by A.Srinivas, K.Ajith Kumar, R.Jayini Prasad, A.Anna Arini, C.Vinayak and some other students. They delivered the message about the impact of drugs. Our student V.Ashwarya (B.Sc. Biochemistry) thank the people gathered in the village.

The following matter was discussed with the village people were:

- Understand how substance abuse develops.
- Avoid temptation and peer pressure.
- Seek help for mental illness.
- Knowing the risk factors.
- Keep a well-balanced life.
- Education is one of the most important top 10 ways to prevent drug use.
- Live a healthy well-balanced life.
- Employ mindfulness activities.
- Only use prescribed medications.

"Equality means treating people equally regardless of social or cultural differences"

OBJECTIVE OF THE PROGRAMME:

- ✦ All human beings are equal in status. All are created from the same soil and by the same God. No matter how much we deserve ourselves, God treats a mighty king as much as a poor citizen.
- ✦ According to God's law, which he has given to human society, all men are free, brothers, and equal.
- ✦ On earth, everyone is equal. There is equality when going underground.

In the event of Equality Day, We the National Service Scheme (Unit No: 76, 57, 58 & 59)

encourage the students to take a Pledge at 7.27 pm. The Equality Day pledge is a healthy

reminder to the NSS volunteers. The pledge is an important medium to communicate the essence

of a healthy democracy. The students participated with enthusiasm and in the full spirit.
