

DEPARTMENT OF COMPUTER SCIENCE

“ONE DAY STATE LEVEL SEMINAR”

DATE	: 16.09.2022
TOPIC	: RECENT CHALLENGES IN CLOUD COMPUTING SECURITY
VENUE	: CLOSED AUDITORIUM
BENEFICIARIES	: 200 Students

“To expand your wings, be persistent in learning new things”

Department of Computer Science organized **“One Day State Level Seminar on Recent Challenges in Cloud Computing Security”** in the presence of **Rev.Dr Sr.C.Jothimary**, Principal and **Mrs.K.Seethalakshmi**, Head, Department of Computer Science. The programme was started with prayer song at 10.00 am, followed by Tamil Thai Vazhthu was played. The programme was inaugurated by lighting the lamp. **Mrs. S. Vimala**, Assistant Professor, Department of Computer Science welcomed the gathering.

Dr.K.Selvan, Assistant Professor and Research Adviser, JJ College of Arts and Science, Pudukottai and **Dr.N.Kanagaraj**, Assistant Professor, Department of Computer Science, Karpagam Academy of Higher Education, Coimbatore were the Resource Persons. In the first Session, Dr.K.Selvan gave a clear explanation about Cloud Computing, features of Cloud Computing and its advantages & disadvantages. He interacted with students by giving real-time examples and it was very useful for them. He felt glad and proudly shared about the amenities and arrangement of our College.

Dr.N.Kanagaraj handled the second Session about Cloud Computing Security. He gave information about the securities available in Cloud such as Caesar Cipher, one time pad and conducted a few activities related to Cloud Security.

The session was really very informative and interesting. All the students interacted and actively participated in the activities. His description about Cloud Computing Security was understandable and practical. Students got a chance to gain excellent knowledge about the topic.

Nearly, **61 students** from various Colleges along with their Staff participated in the Seminar and pursued valuable data. All the participants shared their positive feedback about the Seminar. On the whole, they felt they felt happy and it was very useful for them. All the staff members and the students of our College and other Colleges were provided snacks and delicious lunch.. **Ms.M.Subhasree**, II M.Sc CS & IT, Department of Computer Science proposed the Vote of thanks. Finally the programme finished with a National Anthem.

ABOUT THE COLLEGE

IDHAYA COLLEGE FOR WOMEN, affiliated to Alagappa University, Karaikudi and Re-Accredited with 'A' Grade by NAAC was started in 1996. It is a Minority institution run by the Sisters of the Immaculate Heart of Mary Congregation, Pondicherry. Keeping in mind the vision of Fr. Louis Savenien Dupuis, the Founder of this Congregation the College commits itself to uplift the womenfolk economically, socially, intellectually and spiritually. The motto of the college is "Aspire to Achieve". The aspiration of Idhaya is that every girl while attaining knowledge strives to achieve wonderfully and excel as a perfect model of womanhood. At present, the college offers 12 UG courses, 6 PG courses, 1 Research Courses and also few self-employment courses. This college has fully equipped with infrastructure facilities such as spacious class rooms, a most modern and advance computer lab, Library, Sprawling playground.

ABOUT THE DEPARTMENT

Department of Computer Science launched its Under Graduation Course in the year 1996 in order to meet out the core competencies in the digital era. To equip with vast advancements in the technology world, it is needed to initiate the Post-Graduation Course in the integrated field of Computer Science and Information Technology. So the Department of Computer Science is flourished with PG in the year 2001.

VISION

"CREATE THE INNOVATORS IN INFORMATION TECHNOLOGY"

The department of computer science program is committed to continually improve its educational environment in order to develop graduates with the strong academic and technical background needed to achieve distinction in the discipline. This type of excellence is expected whether the graduate pursues position in the workspace, advanced studies or through continuous lifelong learning.

MISSION

- ◆ To impact new knowledge and technologies and in still high pattern of discipline through our dedicated staff.
- ◆ To upgrade infrastructure in accordance with changing industry standards.
- ◆ To motivate the students to do innovative projects.
- ◆ To produce high quality software engineers who are disciplined, ethical and socially concerned.

ABOUT SEMINAR

The aspiration of this seminar is to understand various securities available in Cloud Computing. This will be a prospect to get intellectual capacity about a **collection of security measures designed to protect cloud-based infrastructure and applications.**

ABOUT CLOUD SECURITY

Cloud security is a discipline of cyber security dedicated to securing cloud computing systems.

This includes keeping data private and safe across online-based infrastructure, applications, and platforms. Securing these systems involves the efforts of cloud providers and the clients that use them, whether an individual, small to medium business, or enterprise uses.

- It guards against security breaches
- It helps manage remote work
- It helps ensure disaster recovery
- It also helps comply with regulations
- It eliminates weak links and builds access levels

REGISTRATION FEES

PG & UG Students - Rs. 150
Faculty members and research scholars - Rs. 200

GUIDELINES

- ◆ Registration should be start at 9.00 a.m. on 16.09.2022.
- ◆ Only Female candidate can participate.
- ◆ Maximum 10 students per college are allowed.
- ◆ Participants must bring their identity Card and Bonafide certificate.
- ◆ Lunch & Refreshment will be provided
- ◆ Kindly inform the participation by E-mail or phone on or before 16.09.2022.
