INTRODUCTION

The study tour as per the curriculum was designed and it was a great exposure trip to students and visited the places of educational and historical importance. The tour programme of our department was planned for a day to Trichy on 22.05.2022. We covered ThirumayamKottai and Sri Rangam Temple in between.

OBJECTIVES

The expected outcome includes providing for situations for the students learn and get acquainted about the subject and understanding the environment around.

EVS REPORT

We gathered in our campus at around 6.00am started from the college at 6.30am with the guidance and company of our faculties our department. First we reached Thirumayam and around 9.00am we reached Sri Rangam temple and visited that temple. After that we had our breakfast and we reached Mukkombuat 11.00 am. We visited the Dam and the students enjoyed in playing games like Giant Wheel, Titanic game, etc.. We had our lunch and we went for shopping. After some shopping, at the end we started our journey back to College at 7.00pm.

CONCLUSION

The studious attitudes and efforts got completed successfully. Each one of us was so tired. Through this one day educational trip our students learnt many things related to their University Prescribed subject "Environmental Studies."

Nearly 13 **students from first year class along with 2 faculties** got benefitted. On the whole, the day was colorful, an amazing and a memorable. Here with we have attached the name of the students.

OUTCOME

The main outcome of this EVS tour is that the students to acquired basic knowledge of visiting places. It emphasized experiential learning and offer both group and self-directed activities that enabled learners to explore various places, practices, people etc...
