Grievances Addressed:

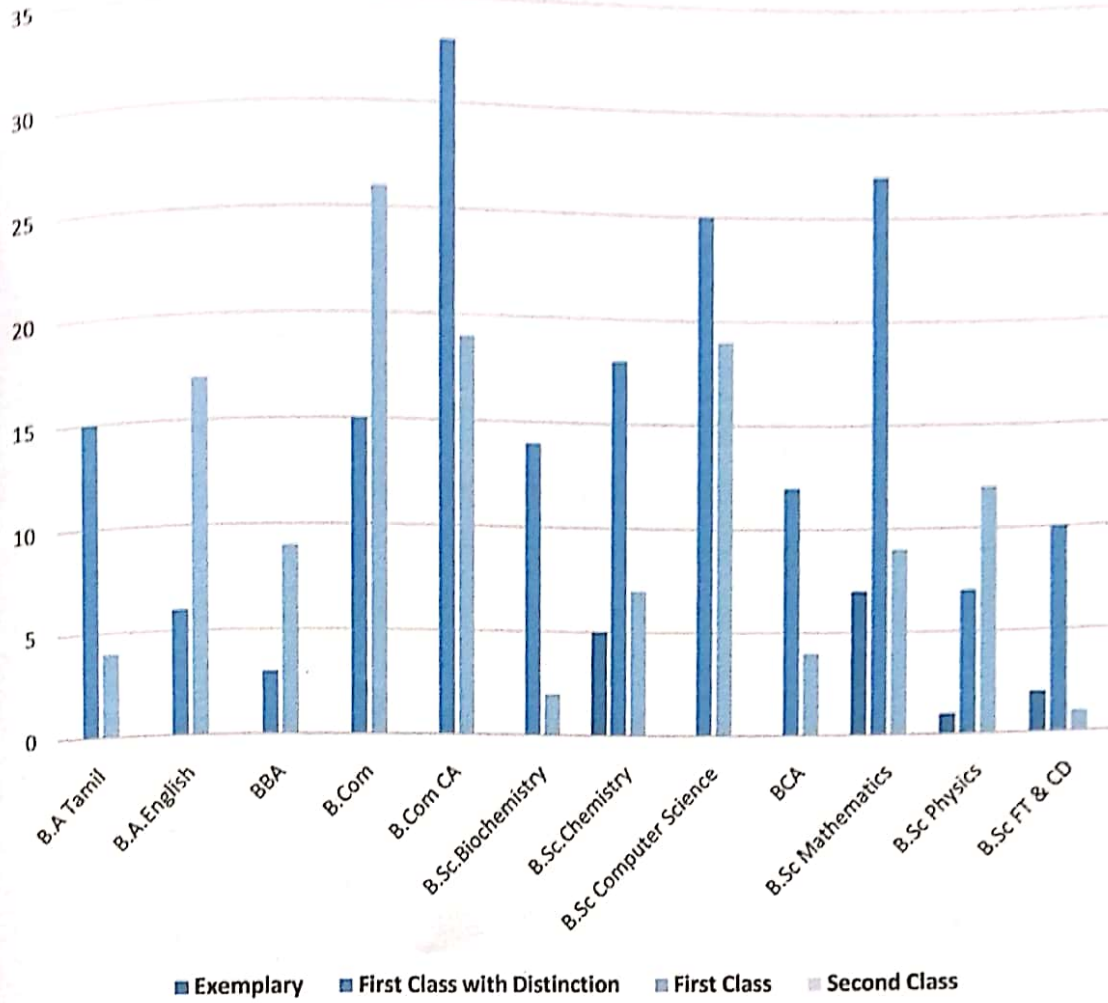

The Examination cell is mainly concentrating the welfare of the students' community. Whenever we are receiving any grievances those are redressed immediately with the help of our affiliating University.

- November 2021 University Examination was conducted through online mode. The students suffered a lot in uploading their answer scripts due to network and other technical issues. These problems were solved through submitting all the answer scripts to the university.
- Moreover, after hosting the results for university examination, some of the students didn't receive marks for few subjects. Those errors have been referred to our university and get solved through verbal communication.
- One of our student **Miss.F.Sahaya Sophia Rani (Reg.No.1820151042)** received her mark statement with wrong initial. That issue was referred to the controller of Examination and rectified the same with correct initial.
- Another student **Miss.A.Maria Sugitha (Reg.No.1801101009)** received all her CMS, Provisional and other mark statements with wrong spelling in her name. That too was rectified through the Examination cell of our college.
