

RESPONSE:

The College gives high thrust to gender equity programmes in the institution. The institution has always showed commitment to enhance the awareness about gender equity. The Women Cell conducts programme on women empowerment and gender equality. The College has undertaken the following necessities to provide the facilities in terms of safety and security, counseling and common room.

A) SAFETY AND SECURITY:

BEING A WOMEN'S COLLEGE, SAFETY AND SECURITY IS HIGHLY ESSENTIAL.

Orienting towards women empowerment is the definitive vision of the College. Consequently, the College provides the following safety and security facilities:

- High walled - compound surrounding campus.
- Strict monitoring of entry and exits of students and outsiders.
- ID cards and attendance registers for vigilant of student security.
- The whole campus comes under the surveillance of CCTV cameras.
- Well lighted campus during night time.
- Ventilated classrooms with proper safe corridors.
- Fire safety measures.
- Ambulance and medical service at hand.
- Hostel facility for students ensuring safe and secure.

B) COUNSELING

"Nobody can go back and start a new beginning, but anyone can start today and make a new ending".

Following are some initiatives in providing counseling facility through gender sensitization.

- Counseling has become a must in the Educational campus so the College provides counseling to our students.
- At the beginning of every academic year, the Principal addresses the new students regarding the counseling and guidance.
- Counseling is a unique opportunity extended by the Institution for the benefit of the students. So we have a full time counselor, Sr.Patricia Mary who counsels every day.
- It is a wonderful chance offered to the students to build a better personality and thus a better society.

- The Institution wishes that many more students make use of this opportunity and become aware of their potentialities and strength to lead a balanced life and face the reality around them in a positive way.

C) COMMON ROOM

The following common facilities are provided to the girl students and staff at the College Campus.

- In order to preserve life, alleviating suffering, preventing further illness or injury, and to promote recovery of the students' health, the College has a separate sick room. The College is giving immediate assistance to the sufferer.
- In case of emergency the sick students they will be taken to Arockia Hospital, which is situated within the campus.
