#### 7.1.5 GREEN CAMPUS INITIATIVES

##### RESPONSE:

ICW is always adopts a number of green practices in the campus for ensuring the environmental consciousness and sustainability. In order to maintain the eco-green campus, the College boosts to plant variety of plants, (Details in Green Audit Report) gardening and herbal plants. This aimed at green landscaping the campus. The faculty members and students of the College actively take part in plantation activities within the College campus. To maintain the eco-green campus, a declaration for plastic - free campus is being displayed in all corridors of the institution.

##### Restricted entry of automobiles:

To maintain the eco-green campus, all the staff and students are using either the public vehicle or College vehicle. To avoid the pollution, the College took initiatives to avoid the private vehicles inside the campus. The College decided to create an academic atmosphere and also to maintain biodiversity on the campus. We are proud to say that our College is a pollution free campus. Here everyone is enjoying the free and fresh air.

##### Pedestrian Friendly Roads:

Public vehicles are not permitted in the near vicinity of the College making the road pedestrian friendly which is strictly monitoring by the security at the entrance. The campus has sufficient space for parking College vehicles. Roads inside the campus are well maintained. Pedestrian can walk safely through friendly pathways.

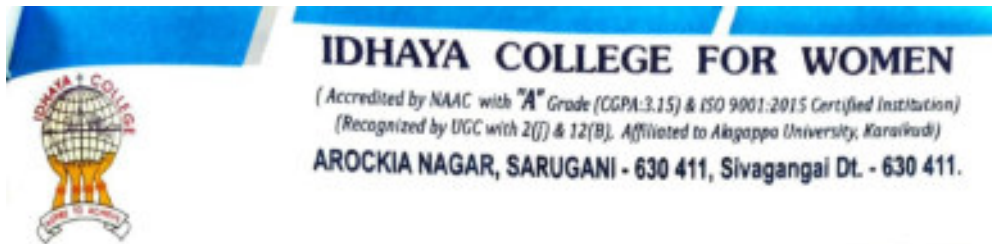

The College covers a land area of **125 acres**. It has two main gates one in East and another one in South. The College campus is covered with well-constructed roads. Both sides of the roads are covered with trees which are planted by our students.

## 7.1. Institutional Values and Social Responsibilities

### 7.1.5 Green Campus Initiatives

Date: 12.08.2019

#### Plastic Free Campus:

The main aim of the College is to reduce plastic and pollution in and around the campus. It is a greenery campus and free from plastic and smoking. So the students and staff are strictly restricted to bring plastic bags and other plastic related materials into the campus. Students are also advised to avoid plastics not only inside the campus but also at their residence.

Training Programmes for making paper carry bags, cloth bags and creating best out of waste are given to the students. Steel and glass are used in the College and in the hostel which reduces the plastic in the campus.

#### Green Landscaping with Trees and Plants:

Plants are some of the most sustainable ways to make a landscape more vibrant and friendly. Planting the right trees in a right place helps a healthy life for years to come. So the College has established to make the campus as green as possible by planting good number of trees and plants. At the right side of the entrance we are having an Organic Vegetable Plantation planted and maintained by NSS. And also Herbal Garden is established in the College by Biochemistry which serves as a potential hub for hale and healthy environment. Thus, the College has an ECO friendly environment.

### CIRCULAR

Circular No: ICW/03/21

Dear Staff and Students,

With an aim of making our Idhaya campus as more greenish, I request all the staff and students to make an effort to carry out a gardening work on every Thursday from 3.00 pm-3.45 pm. Engage ourselves in gardening work is a way to boost up mood and energy. It's a break from work and a good way to unwind instead of obsessing in the classrooms. The places for the gardening work are below mentioned.

S.No	DEPARTMENT	PLACES
1.	B.A Tamil	In front of the convent
2.	B.A. English	Lawn 1(near the office)
3.	B.Com	Left side of open auditorium
4.	B.Com CA	Right side of open auditorium
5.	Bio	Herbal garden
6.	CS	Madha garden
7.	BCA	Left side path
8.	Physics	Right side path
9.	Maths	Near rest room
10.	FT & BBA	Management block
11.	Chemistry	Lawn 2
