Ramps:

Ramps are available both in the Administrative and Management Blocks for disabled students. It is also available at the entrance of the office. So far we have only one student who are able to do all their work. Their physical inability is only on their legs but they are able to walk without any assistance though the College has all the facilities for these special students.

Scribes for Examination:

As per the application received from the disabled student Miss. S.Jeya Shilani (Bachelor of English, 2021), we approached the Controller of Examination, Alagappa University, Karaikudi. He permitted us to allocate one staff to write the exams for the student, after the verification of the document provided by the disabled student.
